Kristy Taccone e-mailed some of her favorite photos to share.
(It's not too hard to guess who is HER favorite lesson horse.)

Lori and Sharon Sullivan and Laurel Lane. Lori is spending this semester studying in Scotland. We hope to hear all about her experience soon!

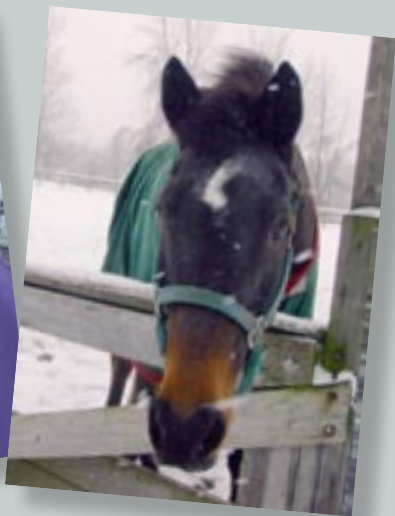

Above and right are photos of Bohdan Lyko and his horse Magnum at the 2003 Zone finals. In the Adult Amateur 36+ division, they placed 6th and 7th over fences and 8th under saddle.

Share your photos, too. E-mail victoriab@rochester.rr.com, and we'll feature your photos in the March newsletter.

Renae & Caralyn's Current Favorites

In the January issue, we asked you to name your favorite lesson horse. Caralyn and Renae Zaleski voiced their opinion, so their favorites get a whole page dedicated to them. Thanks, Caralyn and Renae.

Renae Zaleski two favorites are Rafters (above left) and Ivory.

Caralyn Zaleski thinks King (right) and Gracie (left) are the best.
